WXDU Reports To CMJ, Rockpool & Hits Magazine;
 "WK" = Weeks In Rotation

Bitch Magnet go on the road this week, so WATCH OUT! They're hot. I'm serious. They were temporarily living here, so they came in to spin discs and chat before a couple of warm-up gigs. Just wait til you hear BEN HUR, the LP to come out around Halloween. Other things aflame: Taste Test #1, Vomit Launch, U Totem, Solomon Grundy, Chumbawamba. Incidentally, the new Lubricated Goat record blew my head off last night. NOT BITING AT ALL: Cocteau Twins and Indigo Girls. Off week or off albums? You decide. Lastly, our posse can't wait for CMJ and the chance to mingle with all the people at the Metal Marathon. HA! HA! HA! Luv,

Greg
